

# IKEBANA INTERNATIONAL

Dear Board and Members of II Los Angeles,

We had another great workshop provided by Jose Salcedo from the Ikenobo group. Thank you Jose!

We also have a new president and new board members, congratulations to Jessica Tang, Cynthia Conant, Julie Wolfe, Fukuyo Tanaka, Katey Ho, Zoltan Stokes and Leonard Brinkers.

I would like to take this opportunity to thank you, and all the members that supported our Chapter this past two years. It was a pleasure and a great learning experience to lead this Chapter.

Our Dear Member, Jan E. Abrams is moving out of the state and we want to wish her a beautiful new journey. You will be missed. Thank you so much for everything you did for our Chapter.

We have attached the Ikebana International Chapter Dues form. Our Treasurer needs to send the money to the headquarters in June and we would like to ask you kindly to send your renewal as soon as possible.

Thank you so much for your continuing support.

Valeria Brinkers  
President

**IKEBANA INTERNATIONAL CHAPTER DUES**

Dear I.I. Members and New Members:

May, 2019

The dues for Ikebana International membership from July 1, 2019 to June 30, 2020 are **\$85.00**. As we've mentioned before almost all of the dues are sent to Headquarters and we keep a small portion of each member's dues for our chapter, which helps pay the membership dues to the California Garden Clubs as well as pay for liability insurance. The funds we collect allow us to pay for the katen, room rental for our meetings and workshops, and help pay for demonstrations and workshops.

We need to send the membership funds to Headquarters by June 30th. If we receive forms late and miss the deadline, we are forced to send in the additional funds separately which means we incur a cost to transfer those funds.

NOTE: Please send in your form and include any changed information from last year's roster: Please:
